Welcome to this story-and-a-half new construction home situated on a private 1.17-acre lot framed by a beautiful natural tree backdrop. Offering 2,180 total square feet of thoughtfully designed living space, this 3-bedroom, 3-bath residence combines an open-concept layout with everyday comfort. The main floor centers around a spacious family room featuring a cozy fireplace, an inviting entry foyer, and a seamless flow into the open-concept kitchen and dining area. The kitchen is equipped with a raised bar overlooking the dining space, a functional pantry, and a direct line of sight to the main living areas. Designed for privacy, the main-floor primary suite is tucked away from the secondary bedrooms and boasts a large closet and a luxurious full bathroom complete with a spacious walk-in shower and a private water closet. Two additional well-proportioned main-floor bedrooms share a centrally located hallway bath and convenient linen storage. Upstairs, a versatile rec room and full bath offer an ideal flexible space, accompanied by an additional walk-in storage area available for future expansion. Step outside to enjoy peaceful evenings on the private covered back porch overlooking the backyard. Located just a mile away, optional memberships are available for the Peachtree Hills Golf and Swimming Club, adding fantastic neighborhood recreation just minutes from your front door.
